MURDER-Y THINGS

Sigh

THE
ARTIST

Does the bunny from Donnie Darko do any murdering actually? I don't remember...

ROSE METTING

I found it at
a yard sale.

I couldn't close
my hatchback
to move it.

I tried to
print my zine.

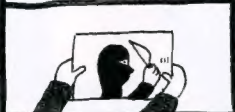

But it didn't
reproduce right

Instead it was
a gruesome scene.

Everytime I tried
it reproduced
in correctly.

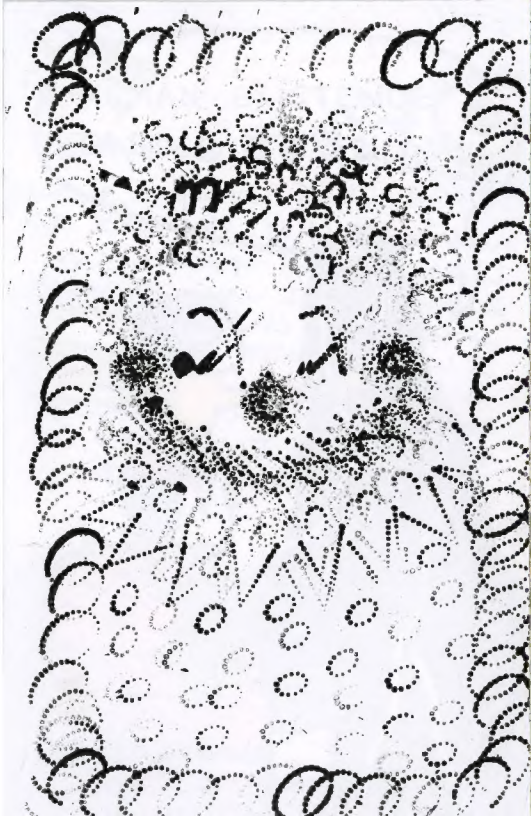

I experienced
a murder...

Through printing
my zine.

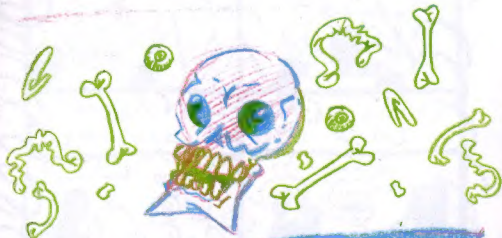

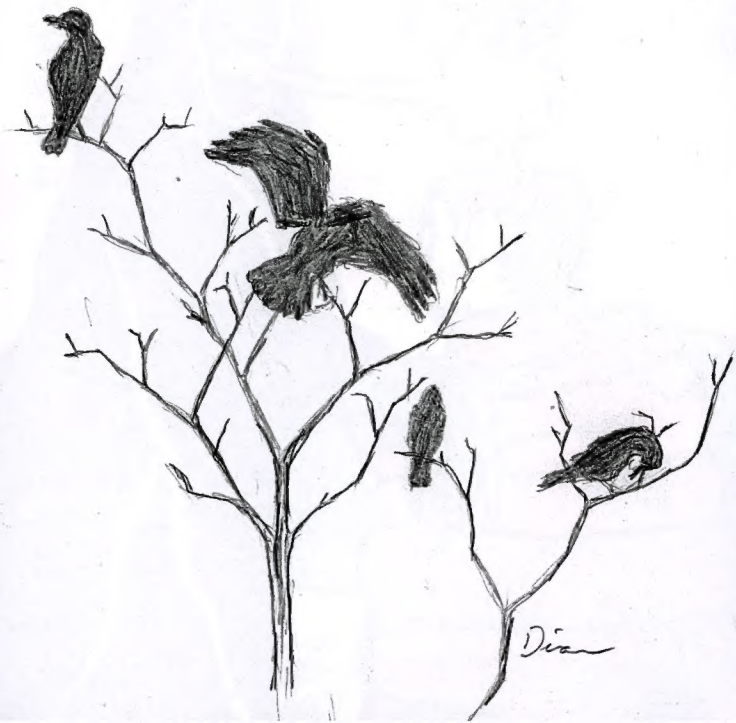

First my eyeballs

died, then my mouth, hobbies,
and social life. Next was The
Liver, and the Spleen, before
I knew it I was
meat and cheese.
I was injected,
infected, and
redirected to the
DMV, where I waited in
line for all eternity.

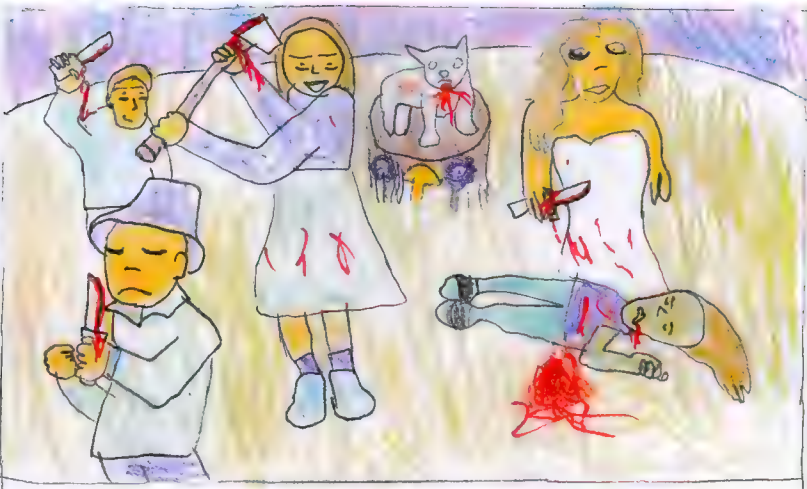

HUMAN EXISTENCE
TASTES TERRIBLE.

Murder most foul most benign, Joe died behind
the bar unknown to our travels we fought a lot a
fine time flies behind the knife that lasts
into the deep black night, the shadows undone
and forgotten, there you can hide your skeletons.
We are never born alone, we are never alone
we are born with shadows, with shadows.
